

28th Annual Mother's Day Truck Convoy Raises More than \$450,000!

We did it! Thanks in part to 595 truck drivers, 330+ volunteers, more than 35 sponsors and thousands of community members, the 2017 Mother's Day Truck Convoy set a new record this year, different than last year's "World's Longest Truck Convoy." The number we were aiming for this year was "number of wishes granted," and we are thrilled to announce that this year's Convoy will grant more wishes than any Convoy in history with more than \$450,000 raised!

On behalf of the dozens of local area children whose wish will be granted as a result of your generosity, [Thank You](#).

Stay tuned for news and updates on next year's 29th Annual Mother's Day Convoy, Sunday May 13, 2018.
